

# RainScapes Rewards Residential Rebate Project Application Process

Thank you for taking the time to apply for a RainScapes Rewards Rebate.\* The steps you are taking will make a positive difference to the health and beauty of both your property and our watershed!

1

## Choose a project and apply

- Learn about types of projects on the other side of this sheet and at **RainScapes.org**.
- Choose a project. *Need help deciding? Download **FIRST STEPS** at **RainScapes.org**.*
- Go to **RainScapes.org** and click on **RainScapes Rewards Rebates** to apply.

2

## Get approval and install your project

- A RainScapes planner will contact you to schedule an **on-site visit**.  
(Exception: Rain barrels and most canopy tree applications do not require a site visit.)
- During the site visit, your planner will help you determine whether the project that you chose is best suited for your property.
- NOTE: Before a rain garden, conservation landscape, or green roof can be approved, you must submit a scaled planting plan and plant list for staff review. (Download **HOW TO MAKE A PLANTING PLAN** in the Resources section of **RainScapes.org**.)
- When your project is accepted for the RainScapes Rewards Rebate program, a planner will email you a **Property Owner Agreement (POA)**. Click the link in this email to electronically sign the POA.
- Now you may install your project.

3

## Finish and get a rebate

- When your project is complete, contact your RainScapes planner to schedule a **final inspection**.
- Submit copies of **project receipts** (via mail, email, or in person during your final inspection.)
- After passing the final inspection, you will receive a **rebate check** in 4-6 weeks.

\* NOTE: Properties located in the City of Gaithersburg, City of Rockville, or City of Takoma Park are not eligible for the Montgomery County RainScapes Program.
